The Registrar,

Federal University of Technology, Akure,

P.M.B. 704, Akure, Ondo State.

Dear Sir,

REQUEST FOR PROFICIENCY IN ENGLISH LANGUAGE LETTER

I, Joseph Adewunmi (Matric No: CSC/17/2153), a graduate of the Department of Computer Science (Class of 2022), am writing to formally request a Letter of Proficiency in English Language.

I am currently applying for a graduate program at **Institut Polytechnique de Paris (IP Paris)** in France. As part of their admission requirements for English-taught programs, I need to provide official evidence that the medium of instruction for my Bachelor of Technology (B.Tech) degree at FUTA was English Language.

Please find attached the following documents for your reference and processing:

1. A photocopy of my Notification of Result/Degree Certificate.
2. The Remita payment receipt for the Proficiency Letter.

I would appreciate it if this request could be treated with urgency to enable me to meet the admission deadline.

Thank you for your cooperation.

Yours faithfully,

Joseph Adewunmi
